

Public Offer Agreement

for the provision of services for pre-ordering car rentals/leases via the getmancar.com website and the Getmancar mobile application

This Public Offer Agreement is addressed by the Performer to any capable physical or legal person who meets the requirements of this agreement and wishes to arrange a car rental service through the website getmancar.com and/or the Getmancar mobile application.

The Public Offer Agreement is public, its terms are identical for all consumers, and the unconditional acceptance of its terms (payment by any method) is considered an acceptance of this Agreement between the Customer and the Performer and certifies the fact of its conclusion.

The Agreement is mixed, as it contains the terms of several contracts. This Agreement applies to legal relations regarding the formation of pre-orders for car rental (lease), as well as the provision of car rental (lease) services. This Agreement does not apply to legal relations arising between the parties under the Public Offer Agreement for short-term car rental (carsharing).

The parties to this Agreement and the Public Offer Agreement for short-term car rental (carsharing) may be the same, but the relations formed on the basis of this Agreement differ from the legal relations between the parties under the Carsharing Agreement.
